

**EVS Facilities Limited  
Generic Vehicle Risk Assessment**

<b>Hazard</b>	<b>Factor L/M/H</b>	<b>Persons at Risk</b>	<b>Actions</b>
Access to Vehicles	Low	Cast & Crew	The steps on the vehicles are well illuminated and a hand rail is provided to aid access and egress.
Fire	Low	Cast & Crew	We have a no smoking policy on all our vehicles. Fire extinguishers are provided on site.
Electric Cables/Trip Hazard	Low	Cast & Crew	EVS cable management ensures that all cable runs are whenever possible away from pedestrian areas. If this is not possible then matting is used to cover cables to highlight and prevent the trip hazard.
Electrical Equipment	Low	Cast & Crew	Electrical equipment is regularly tested and a crew member is available to demonstrate safe and correct usage of appliances
Maintenance of Trailers/ Vehicles	Low	Cast & Crew	All vehicles and generators are regularly tested and inspected at a minimum interval of every 12 weeks to comply with the conditions of our operators licence.
